Western Mission "Change for Feed"

Praying Hands Ranch Horses

Praying Hands Ranch has 16 VERY SPECIAL horses. They are more than just tools with which we work, they are the heart and soul of the ranch. They become family. Many of our clients bond with the horse thinking it as THEIR horse. Praying Hands Ranch has a deep respect for the animals that work with our clients. We take great care to ensure they are kept in the best shape possible.

January Mission - have your child bring in spare change and fill the feed bucket to support the horses at Praying Hands Ranch.
