

## Little Blessings Registration and Universal Preschool (UPK)

Little Blessings Preschool Registration opens January 2023 – families will complete a pre-registration form to apply for a spot at the preschool for the August 2023 start

Upon receiving confirmation of your spot at Little Blessings, parents will then sign up for UPK through a parent portal called *Bridgecare*.

The parent portal for UPK is slotted to open mid-January.  
Information will be shared with parents once available.

### **Important things to remember:**
