

NOVEMBER 2023

**Little Blessings
Preschool & Kindergarten**

Educating, Inspiring & Caring for God's Children

11805 South Pine Drive, Parker

Attendance Line #720-204-4419

Evening Conferences Nov. 15th & 16th

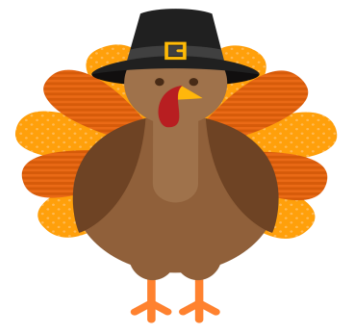

Conferences supplement those daily casual conversations and give you more time to connect with your child's teaching team.

What You Can Expect

- Your child's developmental assessment will go home the class period before conferences. Read it over & come to the meeting with your questions.
- Teachers will share work samples, strengths & next steps during your time together.

Ideas for Questions You Can Ask Your Teachers:

- What is my child's favorite center to play in?
- What does my child's peer interactions look like?
- What are some things we can do at home to support "next steps?"
- Any kindergarten questions you may have?

Important Dates

- ✓ Nov 6th & 7th – Worship w/ Ms. Noelle
- ✓ Nov 15th & 16th – Donut Days Fundraiser

Little Blessings:

Fall Art Experience

Ms. Alenia will be leading our Fall Art Experience revolving around the book *All Creatures Great and Small* by Naoko Stoop.

Through the art the children create they will be using different techniques to create their very own creatures great and small. Depending on age, the children will be using watercolors to explore primary and secondary colors, crayon resist to explore an etching technique, tempera paint to explore painting based on tint & hue (a single color and all the variation created when adding black/white), and crayon rubbing to mimic printmaking. Each type of artwork is unique and the results will be varied and artful.

Children are curious about how the world around them works. That is why they learn best through play and exploration. This learning begins long before children enter kindergarten, making early experiences important for future success. No matter the role we have in a child's life - whether as parents, teachers, child care providers or involved relatives, friends or neighbors- we all play an important part in their development.

The PLAYbook describes a child's learning and development from birth to 5 years old and provides practical tips and fun activities that anyone can use to support young children's healthy development.
