Evening Conferences Nov. 20th & 21st

Conferences supplement those daily casual conversations and give you more time to connect with your child's teaching team.

What You Can Expect

- * Your child's developmental assessment will go home the class period before conferences. Read it over & come to the meeting with your questions.
- * Teachers will share work samples, strengths & next steps during your time together.

Ideas for Questions You Can Ask Your Teachers:

- * What is my child's favorite center to play in?
- * What does my child's peer interactions look like?
- * What are some things we can do at home to support "next steps?"
- * Any kindergarten questions you may have?
