Share the Love with PUMC Youth!

Our February mission will be in support of the Parker United Methodist Youth. Each year, the youth of PUMC go on a mission trip to learn about ways they can make a difference in the world & serve others. These mission trips offer a way for students to build community & to experience life lessons that help share & guide them into adulthood. This year, a group of youth ages 7th-12th grade & adults will be going to California to learn about ecological ways they can serve & help the environment. The trip costs \$1000 per youth, any help you can give would be a huge blessing!!
