Thanksgiving is Here & the Holidays Are Around The Corner!

Can you believe it's already Thanksgiving? The holiday season is upon us, and what a wonderful start to the school year it has been! We have truly loved getting to know each and every one of our children and families. Watching the children learn, grow, and form friendships has been such a joy, and we are so grateful for the trust and partnership you share with us every day.

As we move into the festive season, we're excited to celebrate the holidays with the children—filled with laughter, learning, and special memories. From classroom activities to heartwarming traditions, we look forward to creating moments that bring our community closer together. Thank you for being such an important part of our Little Blessings family; together, we make every day brighter.

Cool Days Are Here!

The mornings are getting cooler, so don't forget a cozy coat for your child—playground time is still on the schedule!

At Little Blessings, we head outside whenever the temperature is between 22–95°F, so layers are always a good idea.

We follow the DCSD for weather closures and delays. Reminder: there is no Before Care on delay days. Weather updates will be sent via email and the Procure app.

Parent/Teacher Conferences - What can you expect?

Conferences will be held Thursday and Friday, November 20th & 21st.

These conferences will be held during the school day.

Little Blessings will be CLOSED for children on these days.

Conferences supplement those daily casual conversations and give you more time to connect with your child's teaching team.

What You Can Expect

- Your child's developmental assessment will go home the class period before conferences. Read it over & come to the meeting with your questions.
- Teachers will share work samples, strengths & next steps.
- Children are welcome to attend!

Ideas for Questions You Can Ask Your Teachers

- What is my child's favorite center to play in?
- What does my child's peer interactions look like?
- What are some things we can do at home to support "next steps?"
- Any Kindergarten questions you might have.

Conferences are a great chance for teachers and parents to come together to celebrate progress and share insights that help you child thrive!
